

## AB 2298: Criminal Gang Bill Signed By Governor Jerry Brown

On September 28<sup>th</sup>, 2016, Assembly Bill 2298 was signed into law by Governor Jerry Brown. AB 2298 includes requiring law enforcement to **notify a parent or guardian** before designating a person as a gang member and allowing them the **right to appeal** to the Superior Court to be removed from the gang database, CalGang, if it is not justified.

I am proud to have advocated for this bill and urged support from Governor Brown. Now, the bill requires gang databases to comply with federal requirements regarding accuracy of information and other operating principles for maintenance.

I look forward to working with the **City of San Diego's Commission on Gang Prevention and Intervention** and the **San Diego Police Department** to ensure that AB 2298 is implemented in accordance with the new legislation.

## City Council Approved the Exclusive Negotiation Agreement for the Hilltop and Euclid Site

Last week, my Council colleagues joined me to unanimously approve an Exclusive Negotiation Agreement with **Affirmed Housing Group**.

This approval allows Civic San Diego and Affirmed Housing Group, an affordable housing developer in California, to negotiate the potential development of a high quality, mixed-used project at Hilltop Drive and Euclid Avenue in Council District 4.

The project will include both **commercial and residential real estate** with for-sale, market rate, single-family homes as well as a sit-down restaurant, public art, and community event spaces.

While the agreement is an important component of the project, I want to make it clear that **community outreach is also essential in the planning and development** of the Hilltop and Euclid site. Civic San Diego and Affirmed Housing Group are committed to continuing the community outreach to several community groups in the district.

As the Chair of the Economic Development and Intergovernmental Relations Committee, I want investors to acknowledge the opportunities that exist in Council District 4. This project has the potential to create **quality jobs, housing, retail, and recreational opportunities** for Council District 4 for years to come.
